Creating Your Legacy

*Your life.
Your passions.
Your family.*

A common misconception is that planned giving is only for the wealthy. The reality is that even people of modest means can make a difference through planned giving.

There are many ways to make a contribution. You can design a gift that honors your philanthropic intentions while achieving your financial and tax planning goals.

When shaping your estate plan, you should make certain it meets two goals: A plan that honors your loved ones and also leaves a legacy that will make a meaningful difference to your community. As always, all gifts made to Gilda's Club Rochester are used locally.

Open the Door to the Future

Gilda's Club Rochester (GCR) provides social and emotional support to people affected by cancer. While our program activities are offered at no cost to those who attend, our program, clubhouse and outreach activities are not free to operate. We rely on the generosity of individuals, foundations, local businesses, community organizations and special events to help ensure our programs remain available and free.

Donors who make a planned gift to GCR will leave a legacy to both their family and people touched by cancer. Planned gift donors will be included in our Red Door Society, no matter the gift amount, and, with the donor's permission, recognized on our new Red Door Society display at our clubhouse and in some of our publications.
